BBQ Fundraiser

On May 25th Tutors on Demand and Study Abroad Canada held a BBQ fundraiser for the PEI Chapter of the Canadian Cystic Fibrosis Foundation. Students and staff were successful in raising over \$650.00 for the CCFF. The fundraiser was so successful that we are considering holding another one next year.

Exam Preparation

Final Exams are coming! Are you worried? Are you nervous? Our tutors are prepared to help you with your study skills and exam preparation. If you are worried that we won't have a tutor for you, don't worry! We have tutors for all subject areas and can provide you with subject specific tutoring. Need only one class? No problem we are here to help you in whatever you may need. For further information or to book extra tutoring, please call Sherry at 628-1664.

Did you hear....

Students and Staff are all invited to celebrate the Festival of Lights together. On Saturday June 30 at 1pm, we will meet and visit the Sandlot. The Sandlot will be created by talented artists from around the world who have come to PEI to create magnificent sand sculptures. TOD will cover half the cost, admission is \$5.00; therefore, you only need to pay \$2.50 plus money for ice cream and of course your camera! We will meet at Founder's Hall at 1pm and finish at around 2pm. A sign up sheet will circulate through the classes. If you are interested, please sign up!

Student of the Month

Logan and Jeky Han are the students of the month because they are exceptionally hard-working. Their tutor says, "They are a pleasure to teach and are motivated to learn." They always do their homework and they don't hesitate to ask questions when they don't understand something. Jeky and Logan are good natured and fun loving students and the class is always filled with laughter!
